### Did You Know?

#### Finland has:

5.3 million peoples  
1.8 million saunas  
750,000 boats  
465,000 summer cottages  
314,000 km of sea & lake shorelines  
230,000 reindeers  
188,000 lakes  
180,000 islands  
100,00 salmon  
647 rivers  
AND 1 Santa Claus – the real one!

Santa Claus lives at Korvatunturi (Ear Mountain) in the heart of the Lappish wilderness with Mrs Claus and the elves.

Lapland's snowy winters and warm summers also provide the perfect climate for Santa's reindeer. Indeed Santa Claus himself lives his life to the rhythm of the reindeer's year.
